

Step 1: Go to www.aleks.com and select **SIGN UP NOW!** under the Registered Users box.

The screenshot shows the ALEKS login interface. It features a dark grey header with a white input field for 'Login Name' and another for 'Password'. Below these is a prominent red 'LOG IN' button. Underneath the button is a link that says 'Forgot your login info?'. At the bottom of the page, there is a yellow banner with the text 'New Student? SIGN UP NOW!'.

Step 2: Enter the 10-character class code provided by your instructor and click **Continue**.

The screenshot displays the 'USING ALEKS WITH A CLASS?' page. The header includes the text 'K-12 // Higher Education'. The main content area instructs users to register if they are new students and need to use ALEKS with a class, and to enter their 10-character course code. There are two input fields for the course code: the first contains 'ABCDE' and the second contains '12345', with a 'what's this?' link to the right. Below the input fields is a link that says 'I don't have a course code'. At the bottom right, there is a red button labeled 'CONTINUE'. A white box with a black border is overlaid on the page, containing the text 'KTMQA-3CL39'.

Step 3: Complete Initial Knowledge Assessment (30 questions) by 11:59 pm Wednesday

Our Class Code is KTMQA-3CL39
